Research Paper

Suitability for live standards for betelvine cultivation under northern dry zone of Karnataka

Agrobiodiversity of potato (Solanum tuberosum L.) in Kashmir valley
S.H. Khan, K. Hussain, N. Jabeen, M.A. Chattoo, B. Afroza and F. Mushtaq .............. 275

Response of bio-fertilizers and inorganic fertilizers on growth and yield of tomato cv. Pusa Ruby
Ankur Kumar, Jitendra Kumar, Braj Mohan, J.P. Singh, Rajbeer and Nathi Ram............ 279

Effect of growth regulators on post-harvest life of banana cv. Grand Naine

Comparative performance of some rose varieties under open and protected environment
C.R. Mohanty, A. Mohanty, A.B. Das and D.S. Kar .............................................................. 288

Effect of dates of planting and spacing on growth and yield of broccoli
B.G. Solunke, A.P. Wagh, V.N. Dod and P.K. Nagre .......................................................... 294

Effect of post harvest treatments on quality of Jamun (Syzygium cumini Skeels) fruits during storage
Kiran Ayar, Sanjay Singh and J.C. Chavda .......................................................... 297

Physio-chemical characters of different mango (Mangifera indica L.) cultivars grown under western Maharashtra conditions
S.P. Patil, S.S. Kulkarni and B.V. Garad .......................................................... 300

Effect of different dates of planting on growth and yield performance of sweet potato (Ipomoea batatas L.) under Dharwad condition
T.B. Alollli, S.I. Athani and S.J. Imamsaheb .......................................................... 303

Effect of different levels of pruning on yield, quality and vase life of rose (Rosa indica L.) cv. Gladiator

Studies on the effect of ethrel on ripening of banana fruits cv. Grand Naine
P.Y. Pendharkar, S.S. Hiwale and A.B. Patil .......................................................... 309

To study the cost, returns and profitability of rose production in Satara district, Maharashtra
J.B. Bahirat and H.G. Jadhav .............................................................................. 313

Effect of plant growth hormone and fertilizer on growth and yield parameters in chilli (Capsicum annum L.) cv. Pusa Jwala
Manoj K. Kalshyam, Jiterendra Kumar, Braj Mohan, J.P. Singh, Nathi Ram and Rajbeer .......................................................... 316
Response of vase solution on keeping quality of cut spikes of gladiolus cv. PRISCILLA
MAHESH CHOU DHARY, S.K. MOOND, ANOP KUMARI AND B.S. BENIWAL ..............................319

Performance of standard carnation varieties for flowering and flower quality parameters under naturally ventilated polyhouse
C.P. GHARGE, S.G. ANGADI, D.S. PATIL AND N.M. PATIL .....................................................322

Effect of nitrogen and potassium on growth, flower yield and quality of golden rod
SHILPA KOKATE, NEHA CHOPDE AND SEEMA THAKRE ....................................................327

Performance of mango (Mangifera indica L.) cv. KESAR in relation to physical and organoleptic qualities under different plant spacing and sunlight direction
D.A. MHETRE, A.G. NAIK, N.A. NALAGE, G.B. MANDALIK AND P.F. KHADAKE ..........................331

Effect of cycocel, potassium sulphate and benlate on morphology and fruit quality in ber (Ziziphus mauritiana) cv. BANARASI KARAKA
SHAILENDRA V. SINGH ............................................................335

Effect of fertigation on growth, yield and quality of papaya (Carica papaya L.) cv. MADHU BINDU under South Gujarat conditions
R.V. TANK, N.L. PATEL AND J.R. NAIK ..................................................................................339

Effect of different levels of NPK on growth, yield and yield attributes of gaillardia (Gaillardia pulchella) cv. LOCAL DOUBLE
K.M. KARETHA, GIRIRAJ JAT, VIRENDRA SINGH AND N.N. GAJIPARA ..................................344

Effect of growth regulators and micro nutrient on growth and yield of cauliflower cv. ‘SNOWBALL-16’
H.H. SITAPARA, N.J. VIHOL, M.J. PATEL AND J.S. PATEL ......................................................348

Response of organic, inorganic and bio-fertilizers on growth and yield of Byadagi Chilli
P.S. HIRAGULI AND T.B. ALLOLLI ........................................................................352

Influence of various levels of nitrogen on floral and quality parameters of various varieties of chrysanthemum
N.K. PATEL AND S.R. CHAUDHARI .........................................................................................355

Influence of integrated nutrient management on growth parameters of glory lily (Gloriosa superba L.)
M. GAYATHIRI AND A. ANBURANI .........................................................................................358

Effect of soil and foliar application of organic nutrients on flowering and fruit-set of bittergourd cv. LONG GREEN
S. ANUJA AND S. ARCHANA ..............................................................................................361

Influence of integrated nutrient management (INM) on yield and quality of Lemon (Citrus limon Burn.)
cv. PANT LEMON-1 under Western U.P. conditions
VINUJ KUMAR, M.K. SINGH, BRAJ MOHAN, PAVITRA DEV AND MONINDER ..........................365

Physico-chemical character, sensory quality and storage behavior of rose apple nectar blended with jamun
RAVISHANKAR M. PATEL, K.S. THIPPANNA, S.J. PRASHANTH AND V. CHIKKASUBBANNA .......369

Effect of spacing and seed soaking with GA$_3$ on growth, yield and quality of carrot
S.O. BAWKAR, A.P. WAGH, V.N. DOD, P.K. NAGRE AND BAPI DAS .................................373
Micropropagation of *Heliconia psittacorum* var. St. Vincent Red  
C.R. RESHMI, V.L. SHEELA AND K. RAJMOHAN ..........................................................376

Effect of foliar application of micronutrients and growth regulators on growth and yield of cabbage (*Brasicca oleracea* L. Var. capitata) cv. GOLDEN ACRE  
A.V. KOTECHA, J.J. DHRUVE AND N.J. VIHOL ..........................................................381

Cultivation of cluster bean (*Cyamopsis tetragonoloba* L.) in association with *Ber* (*Zizyphus mauritiana*)—An eco-friendly vege-forage-horti system of agro-forestry  
R.A. SINGH, DHARMENDRA YADAV AND JITENDRA SINGH ..............................................385

Effect of integrated nutrient management on quality of broccoli (*Brassica oleracia* var. italica) cv. FIESTA under Jharkhand conditions  
MANOJ KUMAR, BIKASH DAS, K.K. PRASAD AND PRASHANT KUMAR ..................................388

Performance of fruits of nine mango cultivars under South Gujarat conditions in relation to physical characters  
B.V. PADHIAR, S.N. SARAVAIYA, K.A. TANDEL, M.P. AHIR, P.P. BHALERAO AND R.R. BHALERAO ...................................................................................................................393

Effect of growth regulators on growth and flowering of gladiolus  
NEHA CHOPDE, V.S. GONGE AND P.K. NAGRE ..................................................................398

Effect of integrated nutrient management on cowpea  
BAPI DAS, A.P. WAGH, V.N. DOD, P.K. NAGRE AND S.O. BAWKAR ..................................402

Studies on impact of bio-fertilizers and GA, on growth and flower yield of marigold (*Tagetes erecta* L.) cv. ORANGE DOUBLE  

Effect of age of root stock, grafting time and varieties on the success of soft wood grafting in mango  
JAGANNATH MANDAL, BIPUL KUMAR MANDAL, R.R. SINGH AND U.S. JAISWAL .................412

Effect of plant growth regulators on growth, flowering and yield of African marigold (*Tagetes erecta* L.) cv. PUSA NARANGI GAINDA  
AMIT KUMAR, JITENDRA KUMAR, BRAJ MOHAN, J.P. SINGH, RAJBEER AND NATHI RAM ............418

Effect of foliar application of organic nutrients and inorganic fertilizers on NPK uptake, post harvest soil available nutrients and yield performance of palak (*Beta vulgaris* L. var *bengalensis*)  
S. ANUJA AND L. JAYALAKSHMI ..........................................................................................423

Induction of lateral branches in red delicious apple  
A.H. PANDIT, K.M. BHAT, M.A. MIR AND RIJOSH JOHN ..........................................................427

Effect of organics on the growth parameters of bell pepper under shade house condition  
VASANT M. GANIGER, J.C. MATHAD, M.B. MADALAGERI, H.B. BABALAD AND G. BHUVANESHWARI ..........................................................430

Congenial companion cropping system of summer pulses with guava on riverine soil of U.P.  
R.A. SINGH, DHARMENDRA YADAV, KHALIL KHAN AND JITENDRA SINGH ..............................436

Evaluation of ash gourd genotypes grown as an intercrop in coconut garden under Bastar (Chhattisgarh) condition  
KAMAL NARAYAN, L.S. VERMA, S. AGRAWAL, M.S. PAIKRA AND SONALI KAR .........................439

(iii)
Evaluation of acid lime (Citrus aurantifolia Swingle) cultivars for yield attributes
M. KUMAR, S. PARTHIBAN, D. SARALADEVI AND P. ARUNA .............................................442

Yield and alkaloid content of Clitoria ternatea L. as influenced by shaded and open conditions
C.R. RESHMI AND B.R. REGHUNATH ..................................................................................445

Biochemical changes in mango fruit varieties at different stages of growth and development under south Gujarat conditions
B.V. PADHIAR, S.N. SARAVAIYA, P.B. KOLADIYA, S.T. BHATT AND J.C. PATEL .................449

Path coefficient analysis studies in gladiolus
MAHESH CHAUDHARY, S.K. MOOND AND ANOP KUMARI .............................................455

Effect of sowing dates and nutrient management on economics of seed production in fenugreek
D.R. NANDRE AND VRUSHALI S. SAHANE ........................................................................459

Management of sweet potato weevil (Cylas formicarius) through barrier crops of yam beans and marigold
T.B. ALLOLLI, S.I. ATHANI AND S.J. IMAMSAHEB ...............................................................462

Effect of head size on yield and quality of cabbage cv. PRIDE OF INDIA seed crop
H. DEV .................................................................................................................................465

Performance of mango under high density planting
A. JAYA JASMINE .............................................................................................................468

Comparative performance of chilli genotypes and hybrids under Kashmir valley conditions (Capsicum annum L.)
N. JABEEN, SHAHNAZ MUFTI, S.H. KHAN, K. HUSSAIN AND TASADUK SHAFI .................471

Effect of NAA, GA3, kinetin and ethrel on yield and quality in phalsa (Grewia sub-inaequalis DC)
ABHIJIT DEBNA TH, K. VANAJALATHA, UMARFAROOQUE MOMIN AND MALLIKARJUN REDDY..............................................................................................................474

Effect of nitrogen and vermicompost on floral and yield parameters of African marigold
P.R. PATEL, N.K. PATEL, R.Z. VALIA AND S.R. CHAUDHARI .............................................478

Effect of graded levels of nitrogen and phosphorus on growth parameters of Glory lily (Gloriosa superba L.)
M.GAYATHIRI AND A.ANBURANI .........................................................................................481

Response of different growing media on the growth and yield of gerbera (Gerbera jamesonii) under hydroponic open system
M.A. KHALAJ, M. AMIRI, S.S. SINDHU, AWANI KUMAR SINGH AND J.P. SINGH .................484

Quality characters in acid lime cultivars (Citrus aurantifolia Swingle)
M. KUMAR, S. PARTHIBAN, D. SARALADEVI AND P. ARUNA .............................................488

Influence of plant growth regulators on growth and green pop yield of cowpea [Vigna unguiculata (L.) Walp] cv. ANAND VEG. COWPEA-1
HIRENKUMAR D. PATEL, H.C. PATEL, H.H. SITAPARA AND D.D. NAYEE ..........................491
A REVIEW

Free radicals, antioxidant activities in fruit crops and their importance as phytomedicines
ARVIND PREET KAUR AND KULDIP SINGH .......................................................... 496

Genetic studies in brinjal (Solanum melongena L.) for resistance to shoot and fruit borer

Crop modeling and its use in vegetable cultivation
FAHEEMA MUSHTAQ, NAYEEMA JABEEN, S.H. KHAN, ASIMA AMIN, BASEERAT AFROZA AND K. HUSSAIN.......................................................... 518

A CASE STUDY

Alleviation of SAP injury on sapota fruit through calcium hydroxide
Y.N. TANDEL AND N.L. PATEL .................................................................................. 525

Intervention of forestry and horticulture in watershed management under different climatic conditions
R.A. SINGH, M.K. SINGH AND V.K. SHARMA .......................................................... 528

RESEARCH NOTE

Integrated nutrient management in carnation (Dianthus caryophyllus L.) cv. DESIO under green house
S. RENUKARDHYA, R. JAYANTI, Y.C. VISHWANATH, G.B. SREENIVASULU, V. JANAKI AND S. NATRAJ .................................................................................. 531

Studies on flowering days of improved varieties of bitter gourd (Momordica charantia L.)
K.P. DHANWATE, D.R. PATIL, S.J. PATIL AND S.S. GAIKWAD ........................................ 534

Estimation of pectin content in Jackfruit (Artocarpus heterophyllus)
RASHMI PATEL, G.D. JOSHI, P.M. HALDANKAR AND MRINAL MORE .................................. 536

Regulation for off season flowering and fruiting habit in mango with paclobutrazol
A. JAYA JASMINE, P. NAINAR, R. RICHARD KENNEDY, P. PARAMAGURU AND S. BALASUBRAMANYAN.................................................................................. 538

Performance of some kiwifruit cultivars under Midhill condition of Himachal Pradesh
V.S. RANA, P.S. JOSHI AND N.S. RANA ................................................................. 540

Mean performance of paprika genotypes under Kashmir valley conditions
N. JABEEN, S. MUFTI, K. HUSSAIN, TASADUK SHAFI AND SONAM SPALDON ......................... 542

Effect of nitrogen and vermicompost on floral and yield parameters on marigold
P.R. PATEL, N.K. PATEL, R.Z. VALIA AND S.R. CHAUDHARI ........................................ 544

Effect of integrated nutrient management on yield and quality of Guava
VARSHA G. BARNE, S.G. BHARAD, V.N. DOD AND M.N. BAVISKAR ........................................ 546
