INTERNATIONAL JOURNAL OF PROCESSING AND POST HARVEST TECHNOLOGY

AN OFFICIAL JOURNAL OF HIND AGRI-HORTICULTURAL SOCIETY

Volume 3 | Issue 1 | June, 2012

CONTENT

RESEARCH PAPER

1-5  Control of physiological changes in the elakki banana (Musa paradisiaca) fruits using modified atmospheric packaging
    SHIVABASAPPA, K. RAGHU AND V. PALANIMUTHU

6-10  Post harvest treatments for enhancement of ripening in Kesar mango
    D.K. VARU, K.D. PATEL AND R.R. VIRADIA

11-14  Standardization of techniques for aonla sour pickle with varietal difference
    B.A. KARAPATIYA, N.R. RAY, A.D. PATEL AND H.C. PATEL

15-17  Studies on drying and dehydration of fenugreek leaves
    ANURAG B. KALASKAR, A.M. SONKAMBLE AND P.S. PATIL

18-27  Studies on dehydration of legume based sweet product Puran by radio frequency heating technology
    K.P. BABAR, M.G. BHOTMANGE AND G.V. MOTE

28-31  Preparation and evaluation of edible fish powder prepared from small sized croaker Otolithes ruber landed at southern coast of Gujarat
    B.G. CHUDASAMA, S.M. ZOFAIR, T.H. DAVE AND D.V. BHOLA

32-35  Effect of sugar concentration and duration of osmosis on water loss solid gain and yield in osmotically dehydrated banana var. ‘ROBUSTA’ and ‘NEYPOOVAN’
    K.S. THIPPANNA, R.B. TIWARI, S.J. PRASHANTH AND RAVISHANKAR M. PATIL

36-40  Mathematical modelling of osmo-convective dehydration of button mushroom (Agaricus bisporus) slices
    BIRENDRAS KUMAR MEHTA, SANJAY KUMAR JAIN AND ASHOK KUMAR

41-43  Effect of packaging and storage on shelf life of dried flowers of Dendrobium orchid var. Sonia-17
    RAMEZA SALMA, SANGAMA AND A.S. PARMESHWAR

44-48  Effect of drying conditions on rehydration characteristics of spinach
    P.S. TIWARI, SAMSHIR AND B.R. SINGH

49-53  An agribusiness approach on business management of fruit processing unit
    N. ASHOKA, KULDEEP CHOUDHARY AND C.P. GRACY

54-58  Effect of various pre and post harvest treatment as a ripening technique for oranges
    SANDEEP K. CHAUHAN

59-64  Studies on the effect of different storage conditions on the quality and shelf life of kokum (Garcinia indica Choisy) fruits
    G.P. RAORANE, A.G. DESAI, N.A. NALAGE AND S.S. BHOSALE

65-69  Evaluation of varietal differences on storage behavior and quality of potato tubers in the ambient condition
    K. RAGHU, V. PALANIMUTHU AND SHIVABASAPPA

70-72  Study on the effect of different storage conditions on ascorbic acid content in fresh fruits (Guava and Lime)
    VINITA SINGH AND S.P. SINGH
Development and standardization of recipe for jackfruit candy
M.S. SREEDEVI, V. PALANIMUTHU, G. NAGARAJA AND C.J. RAGHUPATI

Effect of different levels of T.S.S on the quality of pineapple (Annanus comosus L.) Wine
M.B. ROODAGI, N.B. GOKHALE, P.G. TIPPANAGOU DAR, MINAL JAGTAP AND V.G. SALVI

Studies on preparation of soy coffee powder
KAVITA MORE, M.S. PAWAR AND K.R. MALPANI

Performance evaluation of pilot cashew nut processing unit
P.D. UKEY, S.K. SAWANT AND P.A. PATIL

Effect of product free volume ratios on the respiration rate of tuberose (Polianthes tuberosa) flowers
KIRAN NAGAJJANA VAR, V. THIRUPATHI AND C. INDURANI

Standardization of processing technology and sensory evaluation of avacado squash blended with sapota and aloe
N.K. SMITHA, B.S. SREERAMU, SHRINIVAS S. CHIKKUR, A.S. PARMESHWAR AND Y. KANTHARAJ

Studies on drying and dehydration of bitter gourd slices
DIPALI R. DHOTRE, A.M. SONKAMBLE AND S.R. PATIL

Standardisation of recipe for the preparation of nectar from sweet orange (Citrus sinensis Osbeck) var. sathgudi using sugar substitutes and its storage
C.N. BYANNA AND L.N. DOREYAPPA GOWDA

Optimization of ingredient levels of jaggery chocolate by using response surface methodology
SHYAM R. GARUD, ARCHANA G. LAMDANDE, P.K. OMRE AND B.K. KUMBHAR

Design and development of an improved on-farm potato storage system suitable for climatic conditions of southern Karnataka
K. RAGHU, V. PALANIMUTHU AND SHIVABASAPPA

Effective microwave drying characteristics of ginger (Zingiber officinale)
ASHOK KUMAR, P.S. CHAMPAWAT AND BIRENDRA KUMAR MEHTA

Antioxidant and reducing activities of bael (Aegle marmelos Linn.) extracts
S.J. PRASHANTH, D. SURESH, V.H. POTTY AND P. SADANANDA MAIYA

Influence of wax coating and indigenous potassium permanganate based ethylene absorbents on shelf life of banana cv. DWARF CAVENDISH
S. SARAVANAN, V. SUCHITRA, RAKESH KUMAR AND JULIE BANDRAL

Processing and evaluation of avacado nectar blended with sapota and aloe
N.K. SMITHA, B.S. SREERAMU, SHRINIVAS S. CHIKKUR, A.S. PARMESHWAR AND Y. KANTHARAJ

Effect of different juice extraction methods on the quality of pomegranate juice

A CASE STUDY

Processing and value addition in jackfruit
S.B. SWAMI, N.J. THAKOR, P.M. HALDANKAR AND S.B. KALSE

Processing and value addition in jamun
S.B. SWAMI, N.J. THAKOR, P.M. HALDANKAR AND M.M. PATIL

High pressure processing in food and beverage industry
SREENATH PILLAI AND LEENA MURALIDHARAN

AREVIEW

Horticultural crops - Post harvest losses and heat treatment
RAVISHANKAR M. PATIL, K.S. THIPPANNA AND S.J. PRASHANTH

ARTICLE

Aseptic packaging of processed food and beverages
SREENATH PILLAI AND LEENA MURALIDHARAN
