CONTENTS

I. General Articles:
Comparison of serum and whole blood PCR for diagnosis of brucellosis in goat  
- V.K.Gupta, Ranjeeta Kumari, Jyoti Vohra and V.S. Vihan ... 335
Seroprevalence of brucella and parvovirus infections in pigs  
Comparative efficacy of synthetic pyrethroids against Linognathus stenopsis in goats - N.K.Singh, Chandrasah, Jyoti and M.C. Handa ... 342
Ameliorative efficacy of tulsi in lead toxicity in cockerels  
- Atul Prakash, S.P. Singh, Rachna Varma, G.K. Choudhary and Ram Sajan ... 344
Serosal and mesenteric onlay grafting for intestinal anastomosis in canines  
- N.V.V. Hari Krishna, R.V. Suresh Kumar, M. Sreenu and T.S.C. Rao ... 347
Evaluation of coagulation profiles in cattle with retained placenta  
- Kemal Irmak, Huseyin Erdem, Turan Civelek and Kursat Turgut ... 350
Effect of Aegle marmelos and Ficus religiosa on the onset of puberty in female rats  
Body growth, gonadal development and semen quality of Frieswal bulls in relation to heat tolerance - D.K. Mandal and S. Tyagi ... 356
Effects of environmental factors on reproductive performances of Holstein cows and heifers - Abdulkadir Orman and M.Mustafa Ogan ... 360
Effect of age on the sexual behaviour and semen characteristics of Corriedale ram  
- R.Islam, M.Z. Khan and A.S. Bhat ... 365
Efficacy of gonadotropin releasing hormone and Prostaglandin F 2? in repeat breeding buffaloes - A. Vijayarajan, C.Chandhrashan and R. Ezakial Napolean ... 368
Reproduction performance of native draught cattle under field conditions  
- R.Rajendran, S. Panneerselvam, P.Thangaraju and A.Mahalinga Nair ... 371
Molecular variability in partial somatotrophin hormone gene in Mithun  
- Subodh Kumar ... 373
Microsatellite based genetic characterization of Jaffarabadi buffaloes  
- B.P. Mishra, R.S. Kataria, P. Kathiravan and D.K. Sadana ... 376
Effect of fibrolytic enzyme treated wheat straw on rumen fermentation and nutrient utilization in calves - K.K. Singh and M.M. Das ... 380
The effect of various dietary crude protein on growth and excreta nitrogen in Japanese quails - M. Karaalp, M. Sezer and K. Kilinc ... 383
Effect of different levels of dietary protein on haemato-biochemical parameters of Yaks - P.K. Saikia, B.N. Saikia, M.K. Ghosh, K.K.Baruah, P. Chakravarty and M. Bhattacharya ... 387
Effect of triiodothyronine hormone and iodine supplements on the performance of broilers in cold environment - P. Tatli Seven and I. Seven ... 389
Effect of season and microclimatic variables on the incidence of bovine mastitis
- A. Thennarasu, Ra. Murallidharan, M. Murugan and Thanga Thamilvanan

Efficacy of an anti-stress herbal preparation on milk production in FMD vaccinated dairy cows and buffaloes - P.S. Mavi, C.S. Bahga, G.V.P.P. Ravi Kumar, S.K. Uppal and S.S. Sidhu

Scanning electron microscopic properties of hair cuticular cells in ruminants

Morphogenesis of thymus in buffalo
- P. Jagapathi Ramayya, Opinder Singh and K.S. Roy

II. Clinical Articles:

Chronic fibrinous pericarditis in a bullock
- S.V. Singh, K.P. Singh, D.D. Singh and H.N. Singh

Surgical removal of uroliths from bladder and urethra in a Doberman dog
- Hemant Kumar, A.K. Sharma, L.L. Dass, Vinod Kumar and Shivendra Kumar

Treatment of sub clinical cases of Surra in buffaloes
- Suman Kumar, Ajit Kumar and S. Samantary

Surgical management of multiple urethral and cystic calculi in two dogs
- Raju Sharda, S.K. Tiwari, Sumeet Garg and Md. Osamah Kalim

Vulvar squamous cell carcinoma in a Holstein Friesian cross bred cow
- N. Babu Prasath, C. Balachandran and A. Raman

III. Short Communications:

Haematobiochemical changes in dogs with Leptospirosis
- D. Chandrasekaran, S. Prathaban, K.S. Venkataraman and P. Dhanapalan

Epidemiological study of canine tumours
- T. Bhasakara Rao and U.V.N. Malleswara Rao

Incidence of neoplasms in domestic animals
- S. Sivaseelan, M. Sasikala, A. Sumithra and G.A. Balasubramaniam

Seroprevalence of Mycoplasma mycoides subsp. capri in goats of Kerala
- P.V. Tresamol, A. Janus and M.R. Saseendranath

Coccidiosis in Mithun

Nephrosonographic evaluation of renal diseases in dogs
- K.K. Ponnumswamy, S. Prathaban and P. Dhanapalan

Tetanus outbreaks after ear tagging in sheep - B.M. Chandranaiak, B.R. Harish, Shivaraj, Asha Mayanna, P. Giridhar and C. Renukprasad

Response of anestrous crossbred cows to exogenous hormonal treatment
- Prabhat Kumar, C. Singh, B.B. Bachchoo, Naveen Kumar and P.C. Himanshu

Teratozoospermia due to unilateral varicocele in a breeding bull
- Ajeet Kumar, Jagir Singh, M. Honparkhe and G.S. Dhiwal

Effect of feeding different varieties of Jowar on meat characteristics in sheep
- Sanjay M. Bhalerao, S. Mallikarjunappa, H.B. Budeppa and Shrikant Kulkarni

Effects of silk work pupae meal and enzyme supplementation on blood constituents in pigs - D. Medhi, N.C. Nath and D.N. Sharma

Prediction of sheep body weight based on flank width
- G.S. Naveen Kumar, M.D. Suranagi and M.M. Appannavar
