CONTENTS

I. General Articles:

PCR based characterization of Pasteurella multocida isolated from HS cases
- Sunita Karunakaran, G. Krishnan Nair, P.X. Antony, V. Jayaprakasan and M. Mini ... 353

Effect of mutation in intron 8 of avian lipoprotein lipase gene on meat quality
- Hassan Husseim Musa, Guo Hong Chen and Xin Sheng Wu ... 357

Cloning of cellulose gene from R. albus in E.coli and cellulase activity in the periplasmic protein fraction - A. Thulasii, M. Chandrasekhararaii and K.T. Sampath ... 361

Pathological changes in the intestine of sheep and goats infected with Stilesia globipunctata
- R. Thangathurai and D. Dilipkumar ... 363

Haematology and glucose 6 phosphate dehydrogenase level in canine tumours
- P. Mukherjee, D.K. De, S.Roy and S.K. Nandi ... 365

Clinical, serum bio-chemical and enzymatic features of dogs with cholecystic disorders
- S. Bandyopadhyay, J.P. Varshney, M.Hoque and M.K. Ghosh ... 368

Cultural and electron microscopic studies of Malassezia pachydermatis
- K. Satish Kumar, S. Madhavi Latha, J. Sai Prasanna, K. Dhanalakshmi and B.J.R. Sarma ... 371

Prevalence, contagious pathogens and antibiotics susceptibilities of sub clinical bovine mastitis
- Pirali Kheirabadi,Kh., A. Ebrahimii, and F. Barati ... 375

Comparative efficacy of different diagnostic tests in bovine sub clinical mastitis
- P.Saravanan, V. Vijayanand, B. Nagarajan and K.Vasu ... 378

Osteomedullographic studies during fracture healing in dogs - S. Umashankar and L. Ranganath ... 382

Transfixation of metacarpal fracture in calves
- A. Ramanathan, T.N.Ganesh, W.P. Archibald David and B. Murali Manohar ... 385

Ovarian status, serum progesterone level and conception rate in Ovsynch treated buffaloes
- K. Ravikumar and S.A. Asokan ... 388

G and C banded karyotypes of Kanni adu breed of goats
- R. Saravanan, S.M.K. Karhickeyan and A.D. Deshpande ... 393

Studies on semen quality of crossbred bulls - U.Y. Bhoite, D.A. Sutar and B.R. Ulmek ... 395

Population study on loss of animals and annual replacement index in Sahiwal cows
- M. Abbas and G.K. Sachdeva ... 398

Factors affecting litter traits of Landrace pigs - T. Bardoloi and B.L. Raina ... 400

Effect of grass or legume hay on rumen fungi and microbes in buffalo
- A.K. Samanta, K.K. Singh, G.H. Pailan, M.M.Das and Sonu Rai ... 404

Physical characterization, haematological and mineral profiles in Bactrian camels
- Gorakh Mal and D.Suchitra Sena ... 408

Processing yields, losses and meat to bone ratio in spent desi ducks
- K. Sangilimadan and K.Narayanankutty ... 411

Feeding, growth rate and management of Ostriches in Tamil Nadu
- T. Sivakumar, S.T. Selvan and K. Gajendran ... 413

Socio-economic factors influencing conception rate in cattle under field conditions
- R.L. Bhagat, S.B. Gokhale, A.B. Pande and N.L. Phadke ... 416

Postnatal localization of phosphatases in the ductus deferens of ram
- P.V.S. Kishore, Geetha Ramesh and Sabiha Hayath Basha ... 419

The Indian Veterinary Journal February 2009
Postnatal histochemistry of lipids and proteins in the epididymis of ram  
- P.V.S. Kishore, Geetha Ramesh and Sabiha Hayath Basha

II. Clinical Articles:
Gluteal haematoma in a stallion  
- A.K. Gangwar, Sangeeta Devi, H.N. Singh, S. Prasad and J.Y. Waghaye
Paraphimosis with priapism in a dog  
Use of braided carbon fibres in the repair of umbilical hernia in bovines  
- A.K. Gangwar, A.K. Sharma, Naveen Kumar and Sangeeta Devi
Microbial status and efficacy of different treatments on equine endometritis  
- R. Kalirajan and R.C. Rajasundaram
Serum protein changes in goats infected with gastrointestinal nematodes  
- Pratima Kumari and M.P. Singh

III. Short Communications:
Effect of vitamin E supplementation on erythrocyte antioxidant enzyme activity in goats  
- M. Shanmugam and Parveen Kumar
Haematological and biochemical values in donkey - K.M. Palanivel, A. Vijayalinga Korandi, R.S. Dhanotiya, R.V. Suresh and S. Selvasubramanian
Evaluation of rate of passage of feed in adult Japanese quails  
- V. Beena and P.T. Philomena
Productive performances of grower broiler rabbit on roughage feeding  
- S.K. Das and R.K. Bardoloi
Serum thyroid hormones and macrominerals in cyclic and acyclic crossbred cows  
- R. Rajkumar and S.K. Srivastava
Prevalence of Phthirapteran ectoparasite on poultry  
- Vikram Khan, Sandeep Kumar, Nidhi Gupta, Aftab Ahmad and A.K. Saxena
Treatment of canine sarcoptic mange in dogs with extract of Annona Squamosa linn  
- R.K. Bagherwal, Nidhi Singh and C.S. Sharma
Clinical and therapeutic management of mange in cattle  
- F.U. Peer and Md. Moin Ansari
Serum biochemistry and epidemiology of gout in broiler chicks  
- S.M. Prathap Kumar, M.L. Satyanarayana, A.R. Mallikarjuna and R. Shivakumar
Semen characteristics and scrotal and testicular dimensions of crossbred bucks  
Triplets born to a non-descript cow - T. Bhaskara Rao
Certain biochemical constituents of seminal plasma in swamp buffalo bulls  
- G.C. Das, S. Deori, B.K. Das and R.N. Goswami
