I. General Articles:
Direct detection of chicken anaemia virus in plasma and serum of chickens by
- S.S. Patil, B. Pattnaik and G.S. Desai ... 699
Detection of bovine viral diarrhoea virus sequences in persistently infected cattle
- G. Sunita, A.V. Krishna Mohan and G. Hanumantha Reddy ... 702
Detection of *Salmonella Gallinarum* in different commercial poultry flocks in Korea
Sex ratio of *in vitro* derived bubaline embryos determined by PCR based sexing
- P.S. Yadav, M. Mukesh and Inderjeet Singh ... 707
Enteropathogenicity and antibiotic resistance of *V. parahaemolyticus* isolated from fish samples and fish handlers - M. Nithya Quintoil, K. Porteen and P. Beeshmi ... 712

II. Sex ratio of *in vitro* derived bubaline embryos determined by PCR based sexing
- P.S. Yadav, M. Mukesh and Inderjeet Singh ... 707

III. Incidence of periparturient diseases among Jersey cows in an organized farm
- A. Das, N. Sahoo, P.C. Samal, P.K. Ray and D.K. Karna ... 716

IV. Hypothyroidism and dilative cardiomyopathy in a Great Dane dog
- M. Fialkovicova, M. Gaalova and M. Kozak ... 719

V. Anatomical considerations for early age neutering in canines
- H. Biswas, S. Roy, P. Mukherjee and S. Hazra ... 723

VI. In *vitro* cleavage rates of homologous oocytes for fertility evaluation of buffalo bulls
- P.S. Yadav, Inderjeet Singh and R.K. Sethi ... 725

VII. Progesterone receptor blocker and PGE therapy for termination of pregnancy in bitches
- A. Anmutha, K. Kalasekar and Cecilia Joseph ... 728

VIII. Efficacy of single low dose PGF2α through IVSM route on oestrous induction and fertility in buffaloes - G. Veeriah and Manda Srinivas ... 731

IX. Physical and morphological parameters of Tarai buffalo sperm during cryopreservation
- Beerendra Singh and H.P. Gupta ... 733

X. Growth performance of progenies of two-breed cross in cattle
- S. Bindu Madhuri and C.L. Suman ... 736

XI. Role of male effect to advance breeding season and induce estrous in Mandya ewes
- Ravikiran Gorti, C.G. David and I.J. Reddy ... 739

XII. Growth and nutrient digestibility of Yak fed with tree leaves and straw based diets
- R. Buragohain, M.K. Ghosh, P.K. Pathak and M. Bhattacharya ... 742

XIII. Feeding practices and nutrient status of dairy cows under field conditions

XIV. Effect of complete feed block on dry matter intake and milk yield in crossbred cows
- A.K. Sampanta, K.K. Singh and M.M. Das ... 749

XV. Effect of three farrowing systems on body weight changes and feed intake in sows during lactation period - Chandrashas and A.K. Chhabra ... 753

XVI. Effect of low protein diets with limiting amino acids on nutrient utilization in broilers
- M.M. Kadam, A.B. Mandal, S.K. Bhanja, P. Vasan and S. Kaur ... 756

The Indian Veterinary Journal February 2009
Electron microscopic studies on the atrial myocardium and cardiac valves of pigs

- O.R. Sathyamoorthy, Geetha Ramesh and S. Vairamuthu

Histoarchitecture of the lung in the Japanese quail

- S. Muthukrishnan, Geetha Ramesh, S. Venkatesan and T.A. Kannan

Histology of olfactory bulb in the Porcupine

- Mine Yaman, Omer Atalar, Ali Bayrakdar and Berrin Gencer Tarakci

II. Clinical Articles:

- Sertoli cell tumour in a dog - L. Ranganath and V. Mahesh

- Dystocia due to *Scistocercus fissispinalis* in a buffalo calf - M. Honparkhe, Ajeet Kumar and S. P. S. Ghuman

- Multiple fetal monstreries during a gestation in a bitch - S. P. S. Ghuman, M. Honparkhe, V. K. Gandotra and Ajeet Kumar

- Concurrent *Trypanosoma evansi* and *Hepatozoon canis* infections in a dog - N. Pazhanivel, C. Balachandran and T. A. Vijayalingam

- Efficacy of parental iodine supplementation on hypothermia in buffalo calves - Sushma Chhabra, S. S. Randhawa, S. D. Bharadwaj and P. S. Dhaliwal

III. Short Communications:

- Mammary fibrosarcoma in a bitch - R. Thangathurai, B. Murali Manohar, C. Balachandran and S. N. Sivaselvam

- Biometrical studies on the male accessory genital glands of Gaddi goat and sheep - Shalini Suri, L. S. Sudhakar and R. L. Bhardwaj

- Biochemical and enzyme profile of the seminal plasma of Tarai buffalo bulls - Beerendra Singh, H. P. Gupta and Shiv Prasad

- Toxigenic *Aspergillus* and *Penicillium* moulds in the air of dairy plants - K. Saravanakumar and R. Annalilli

- Gastro intestinal parasitism in buffaloes - K. Satheesh, S. Meenalochani, N. Lakshmi Rani and Makkena Sreenu

- Isolation of *Salmonella Gallinarum* from chicken and quails - Chintu Ravishankar, P. M. Priya, Deepti Pillai, M. Mini, M. K. Sharmadha, P. Rameshkumar and V. Jayaprakasan

- Isolation of *Actinobacillus- Pasteurella* group bacteria from a bite wound in a pup - Chintu Ravishankar, K. Promod and S. Anoop
