THE INDIAN VETERINARY JOURNAL
(Official organ of the Indian Veterinary Association)

Vol. 86 July 2009 No. 7

CONTENTS

I. General Articles:

Seroprevalence of peste des petits ruminants in organised and unorganised sectors in Karnataka – A.K. Santhosh, Raveendra Hegde, S. Isloor, R. Amitha Gomes, D. Rathnamma, S.M. Byregowda, K. Prabhudas and C. Renukaprasad... 659

Comparative efficacy of alum precipitated and aluminium hydroxide gel adsorbed enterotoxaemia vaccines in sheep – T. Pavan Kumar, G. Sunitha, A.V. Krishna Mohan and G. Hanumanth Reddy... 661

Evaluation of R mutant Escherichia coli J5 bacterin vaccine against coliform mastitis in cows – Hasan Solmaz, Ziya Ilhan, Ibrahim Tasal and Abdulbaki Aksakal... 663

Effect of electrolyte supplementation on feed and water intake in heat stressed buffalo calves – G. Krishnan, G. Singh and D.C. Shukla... 665

Serodiagnosis of canine ehrlichiosis by enzyme linked immunosorbent assays T.J. Harikrishnan, D.J. Chellappa, N. Pazhanivel and G. Rajavelu... 668

Efficacy of abamectin against sarcoptic mange in adult buffaloes M.S. Bal, V. Mahajan, Ashuma, Paramjit Kaur, S. Sharma, Renu and S.S. Rath... 674

Studies on haematology and serum biochemistry profile in canine demodecosis Pritam Sarkar, A. Chakraborti and Debaki Ghosh... 676

Follicular dynamics during estrous cycle in crossbred cows Manjusha Patil, K.P. Khillare, S.K. Sahatpure and M.D. Meshram... 679

Sperm morphological abnormalities and freezeability of semen in bulls D.K. Mandal, S. Tyagi and M. Kumar... 681

Efficacy of Tes-tris semen extender on freezability of dog semen T. Sathiamoorthy, S.A. Asokan, C. Veerapandian and J. Kalatharan... 685

Genetic parameters and breeding values of milk yield of Holstein cows S. Dikmen and H. Baspinar... 687

Performance of crossbred pigs on different feeding regimes D. Medhi, K.K. Baruah and H. Baishya... 691

Effect of kitchen waste on growth and carcass characteristics of indigenous pigs – S. Kumar, A.P. Sinha, S.K.Singh, R.N. Singh, R.Kumar and H. Kumar... 695

Serum mineral profile of crossbred calves supplemented with zinc sulphate and zinc propionate – G.P. Mandal and R.S. Dass... 700

Effect of sodium butyrate vis-a-vis virginiamycin on liveweight gain and feed conversion ratio in broiler chickens M.T. Bhutia, B. Roy and S. Pal... 703

Effect of dietary protein with fish meal or amino acids on the growth performance of pigs M.V.A.N. Suryanarayana, K. Anand Rao and D. Srinivasa Rao... 705

A study on the lipase producing psychrotrophic bacteria isolated from milk and dairy products – B. Murugan and G. Kumaresan... 708

Pre-weaning morpho-metric measurements and body weights of Beetal kids – Maroof Ahmad, P.K. Singh, D.K. Sadana, Gurmeet Singh, S. Alam and D. Chahal... 710

The Indian Veterinary Journal July 2009
Effect of different heat stress ameliorating measure on the enzymes, minerals and hormones of piglets
Anindita Panja, M. Patel, A. Kumar, J.P. Korde and S.K. Singh ... 713

The effects of in ovo rhIGF-1 on liver growth during embryonic development in quail
H. Kocamis, S. Aslan, N. Gümez, T. Deprem and E. Karadag Sari ... 716

Transmission electron microscope study of the alveolar septum in adult camel – Ahmad Reza Raji and Mahmood Reza Jaafari ... 719

Histogenesis of tunica albuginea of buffalo testes during prenatal life
Manjinder Kaur, Neelam Bansal and Varinder Uppal ... 722

II. Clinical Articles:

Lantana poisoning in an organised sheep farm
N. Vinod Kumar, Y. Ravindra Reddy and A.R. Mohan Reddy ... 725

Trypanosomosis concurrent to tuberculosis in black bucks
M.P. Gupta, Hardeep Kumar and L.D. Singla ... 727

Gastric erosive ulcerative disease in a dog
K.K. Ponnuswamy, K. Jeyaraja, N. Madhavan Unny and M. Subramanian ... 729

Efficacy of carboprost tromethamine therapy in canine pyometra
S. Maity, S. Sarkar and T. Saha ... 730

Congenital *Perocephalus brachyrhynchus* with *Perocephalus Anomatus* in a buffalo calf – A.K. Singh, P.S. Brar, V.K. Gandotra and S. Prabakar ... 732

III. Short Communications:

Physiological and haematological changes in bitches with pyometra – Kashi Nath, S.K. Tiwari and Md. Osamah Kalim ... 734

Congenital intestinal atresia in calves
A.S. Drumus ... 737

Sequential pathological changes in hydropericardium syndrome virus infected chicks – J. Dubey, S. Shakya, Neelu Gupta and Fateh Singh ... 739

Copper, ceruloplasmin and erythrocyte superoxide dismutase activity in sheep
A. Nowroozi Asl and S. Nazifi ... 741

Evaluation of complete feed blocks in milch buffaloes
P.N. Dwivedi, P.K. Pathak and P.D. Gupta ... 743

Mast cell tumour of the mesentry in a dog – A. Arulmozhi, S. Sivaseelan, G.A. Balasubramaniam, P. Srinivasan and R. Thangathurai ... 745

Prevalence of gastrointestinal parasites in ruminants
C.C. Barua, J.K. Chamuah, A.G. Barua, A. Saleq, A. Hazarika and R. Biswas ... 747

Estimation of genetic divergence among four strains of mithun
S. Bhusan, Deepak Sharma and C. Rajkhowa ... 749

Comparison of three surgical approaches for correction of ventral hernia in pigs
B. Saikia, B. Konwar and K. Sarma ... 752

Udder and teat measurements in yak cows – M.A. Katakalware, K.P. Ramesha, J. Rajkhova, B.C. Saravanavan, G. Krishnan and R. Pourouchottamane ... 754

Suppurative arthritis in deer – Remya R. Nair, P. Ezhil Praveen, Manjula V. James, Thomas K. Thomas, N.D. Nair, Mammen J. Abraham, N. Vijayan and C.R. Lalithakunjamma ... 756

Renal osteodystrophy in a spitz dog
N. Chand, K. Dua and D.K. Gupta ... 758
