CONTENTS

I. Editorial :
Ourselves

II. General Articles:
Characterization of Staphylococcus aureus and E.coli of bovine mastitis -
N.K. Rajeev, S. Isloor, D. Rathnamma and N.B. Shridhar

Fidelity of the polymerase chain reaction in the detection of sheep pox virus -
A. Ramesh, V.S. Vadivoo, S. Suresh Babu and K. Saravanabava

Protective potentiality of killed Trypanosoma evansi in mice -

Occurrence of aflatoxin B1 in the compounded feeds and feed ingredients of poultry ration - D. Basheer Ahamad, S. Vairamuthu, V. Titus George, C. Balachandran, B. Murali Manohar and G.A. Balasubramaniam

Bacteriology and antibiogram of canine pyometra - S. Maity, S. Sarkar and T. Saha

In vitro antibacterial activity of Medicinal plants -
F.C. Tuteja, S.K. Dixit and K.M.L Pathak

Effect of omentoplasty in revitalizing ischaemic wound -
B. Dutta, J.C. Lekharu and B. Sarma

Management of uterine torsion in Murrah buffaloes - P. Vidya Sagar, Makkena Srenu, R.V. Suresh Kumar and Ch. Srilatha

Physiological and urological changes in surgical management of urethral obstruction in bovine - A.K. Sharma, J. Mohindroo and H.P. Althal

Production of polyclonal antiserum against progesterone for Radioimmunoassay - S.P.S. Ghuman, D. Dadarwal, M. Honparkhe, Jagir Singh and G.S. Dhalwal

Volatile chemical compounds in bovine urine - M.K. Patra, H. Kumar, M.C. Yadav, S.K. Meur and S. Mahmood

Seminal characteristics of Marwari stallions - Yash Pal and R.A. Legha

Evidence of polygenic nature of abnormal birth and sex ratio in dairy cattle - Balvir Singh, D. Kumar, A.K. Ghosh and S.P. Singh

In vitro ruminal volatile fatty acids production of enzyme or urea treated paddy straw - S. Senthilkumar, C. Valli and V. Balakrishnan

Lactation performance of milch cows fed on low grain forage based diets - S.K. Mahanta, G.H. Palian and K.K. Singh
Effect of replacement of concentrate mixture with stylo leaf meal on nutrient utilization in ewes - M.M.Das, S.K. Mahanta, A.B. Mojumdar and A.K. Samanta ... 936

Effect of supermune on the performance and immune response in broilers - S.Doley, J.J. Gupta and P.B. Reddy ... 940

Comparative performance of Khaki Campbell, desi ducks and their crossbreds - M.K. Padhi, B.K. Panda and S.K. Sahoo ... 942

Effect of increasing protein levels on Soviet Chinchilla kits during post weaning period - Chandrashas, M. Singla and M.C. Handa ... 946

Histochemistry of the prostate gland in vasectomized goats - S.K.Pyne and R.D. Sinha ... 949

III. Clinical Articles:

Surgical management of recurrent rectal prolapse in she buffaloes - S.K.Tiwari, Kashi Nath, Raju Sharda, Md. Osamah Kalim, Padam Jain and Sumeet Garg ... 951

Laparoscopic diagnosis and surgical management of intestinal intussusception in a dog - S.K. Maiti, N.Kumar and A.K. Sharma ... 953

Papillary adenocarcinoma of mammary gland in two dogs - R.V. Suryawanshi, D.B. Pawshe and S.G. Utage ... 955

Hydrometera in a Pomeranian bitch - K.Jayakumar, A. Kumaresan, G. Vijayakumar, K. Krishnakumar, M.Subramanian and N. Rajendran ... 957

Efficacy of antimicrobials in the treatment of mastitis - F.U. Peer and H.K. Bhattacharya ... 959

IV. Short Communication:

Simultaneous infection of John’s and Tuberculosis in a cow - K.Vijayarani, K.Shrine Nagalakshmi, C. Balachandran and K.Kumanan ... 960

Growth and dressing yield of Assam local goats under different systems of rearing - P.B.Reddy, J.J.Gupta and S.Doley ... 962

Progestrone concentration in milk of hormone induced lactating cows - K.Mohan, N.B. Shridhar, T.G. Honnappa, S.G. Ramachandra and K.Jayakumar ... 964

Quantitation of hormone residues in milk by ELISA - C.Latha and A.T. Sherikar ... 966

Cryptosporidiosis in diarrhoeic bovine calves - B.D. Sahu and S.K. Maiti ... 969

Distribution and population status of Bargur cattle - P. Ganapathi, R. Rajendran and A. Subramaniaan ... 971

Comparative efficacy of three anthelmentics against G.explanatum infection in buffaloes - Arun Kumar Thakur, Suman Kumar, Ajit Kumar, Sanjay Kumar and S.Samantaray ... 973

Gastro intestinal impaction in rabbits due to Aflatoxicosis - G.C. Mishra, Vinita Rawat and V.K. Mishra ... 974

Efficacy of di-calcium phosphate in calcium and phosphorus deficient buffaloes - S.T. Singh, S.K. Uppal, C.S. Randhawa and K. Dua ... 975

Evaluation of boar semen collected by gloved hand technique - S.Kantharaj and K.V. Athman ... 977

Egg quality traits of Khaki Campbell, native ducks and their crossbreds - M.K.Padhi, B.K.Panda and S.K.Sahoo ... 979

V. News: ... 920

VI. Flash Back: ... 988
