The Immunogenic Assessment of Chicken Embryo Fibroblast Adapted Infectious Bronchitis Virus Vaccine

N. Lalitha, R. Kalaimathi and N. Dorairajan... 1103

Immunizing Efficiency of E. coli Enterotoxoid, Bacterin Containing K99 Antigen and Combination of Both in Rabbits

Diganta Pan and A. K. Bhatia... 1107

Pathogenesis of a New Genotype Infectious Bronchitis Virus Isolated in Chickens

Tawatchai Pohuang, Niwat Chansiripornchai, Achara Tawatsin and Jiroj Sasipreeyajan... 1110

Haematobiochemical Changes in Experimental Nimesulide Toxicity in Poultry

Madhuri Hedau, A.G. Bhandarkar, S.S. Raut and A.G. Ganorkar... 1113

Dietary Supplementation of Chromium Propionate on Growth Response in Buffalo Calves

Ashok Kumar and Shrikant Kulkarni... 1116

Intravenous Glucose Tolerance Test in Goats During Water Deprivation and Rehydration

Gopal Puri... 1118

5-HT3 Receptor in Goat Urinary Bladder and Its Interaction with Cholinoreceptors

S.C. Parija, P.C. Behera and K. Kathirvel... 1121

Evaluation of Various Binding Agents in Detoxifying Aflatoxins in Animal Feeds

Navneet Saxena, Pratima Kumar, Jyotsana Madan and D. Lal... 1123

Clinical Evaluation of Three Different Colopexy Techniques in Dogs

Hun-young Yoon and F.A. Mann... 1129

Tolerance of Meloxicam and Rofecoxib in Dogs with Long Bone Fractures

Changes in Steroid Hormone Concentration in Follicular Fluid of Buffaloes

S.V. Pradeep, R.K. Chandola and S. Gera... 1145

Correlations Between Egg Mass and Age at Sexual Maturity in Rhode Island Red Birds

L.M. Mohapatra and D.K. Karna... 1148

Single Strand Conformation Polymorphism Analysis in Intron 6 of Bubaline Lactoferrin Gene

P. Kathiravan, R.S. Kataria, B.P. Mishra and P.K. Dubey... 1151

Effect of Zinc Supplementation on Feed Consumption and Growth Performance of Broiler Chicks

Champak Barman, L.M. Mohapatra and D.K. Karna... 1154

Effect of Ficus Infectoria Leaves Tannins on In Vitro Rumen Fermentation

Avijit Dey, Narayan Dutta and Kusumakar Sharma... 1156
Livability and the incidence of ascites in broilers fed phytase supplemented diets - A. Kowsigan, R.G. Gloridoss and B.S.V. Reddy ... 1159

Efficacy of dietary Ocimum sanctum against aflatoxin B1 in broilers - D. Sapcota and T.N. Upadhyaya ... 1163

Morphogenesis of mesenchephalon in goat foetuses - K.M. Lucy, K.R. Harshan, J.J. Chungath and N. Ashok ... 1166

II. Clinical Articles:
Treatment of mummified of fetus with adventitious placentae in a cow - K. Murugavel, D. Antoine and M.S. Raju ... 1169

Oesophageal obstruction due to plastic rexin in a buffaloe - Ravi Raidurg ... 1171

Treatment of cranial curciate ligament rupture in dogs - Z. Adamiak, A. Piorek and D. Niedziela ... 1173

Autohaemotherapy for cutaneous papillomatosis in buffaloes - Debasis Jana and Mousumi Jana ... 1175

Therapeutic management of gangrenous mastitis in a goat - S.V. Singh, J.P. Singh, K.P. Singh, B. Singh and H.N. Singh ... 1176

III. Short Communication:
Incidence of parasitic infection in livestock and poultry in Andaman - S. Jayakumar, B. Ganesh Kumar, Kuntola Roy, Jai Sunder and A. Kundu ... 1178

Effect of addition of prostatic fluid to the frozen thawed semen on fertility in bitches - T. Sathiamoorthy, S.A. Asokan, C. Veerapandian, J. Kalatharan and A.P. Nambi ... 1180

The antimicrobial activity of Rodgersia aesculifolia - Yan-Bin Shi, Ya-Ming Xi, Yan-Ping Shi, Zhen-Ying Hu and Yong-Jiang Luo ... 1182

Trace mineral bioprofile of male camels - S.S. Prekar, Sanjeev Kumar, S.K. Mody, C. Kathirvelan and S.R. Bhagwat ... 1184

Detection of Salmonella from fish by Polymerase chain reaction - A. Uma, M.M. Sudhakar, S. Meena, K. Saravanabava and B. Muralmanohar ... 1185

Salmonellosis in red eared slider turtles - R. Rishikesavan, B.M. Chandranak, K. Basavarajappa, P. Giridhar and C. Renukaprasad ... 1187

Uterine angiofibroma in a Holstein Friesian cow - D. Basheer Ahamad, S. Azmi and W.A.A. Razzaque ... 1189

Correlation between subjective and objective measures of acute pain in dogs - M.R. Fazili, S.K. Chawla, Jit Singh and Sandeep Gera ... 1190

Effect of probiotic biobloom as growth promoter in kids - Rijusmita Sarma Deka ... 1192

Hepatocellular carcinoma in a rabbit - D. Basheer Ahamad, S. Azmi and Surjeet Singh ... 1194

Development of precocious strain of Eimeria tenella - R. Sangeetha and K. Devada ... 1195

Effect of extra concentrate feeding on reproduction in dairy cows - K.S. Das, N. Das and G.V.P.P.S. Ravikumar ... 1197

Chemical and microbiological properties of salted fish - E. Kucukoner and O. Kilinicceker ... 1199
