CONTENTS

I. Editorials:
   Our Eighty Seventh volume ... i
   Indian Veterinary Association - Election results ... ii
   Dr. R.S. Sharma - President of Indian Veterinary Association ... iii

II. General Articles:
   Immune response of goats to a vero cell adapted live attenuated homologous 
   PPR vaccine - P. Saravanan, V. Balamurugan, A. Sen, B.P. Sreenivasa, 
   R.P. Singh, S.K. Bandypadhyay and R.K. Singh ... 1
   An outbreak of pox disease in an organised goat farm in Tamil Nadu - 
   V. Purushothaman, C. Theophilus Anandkumar, A. Ramesh and K. Brindha, 
   G. Ravikumar and K. Saravanabava ... 4
   Evaluation of tests for diagnosis of bovine brucellosis - Maher Sulima, 
   K.S. Venkataraman, L. Gunaseelan, M. Sekar, K. Kumanan and 
   J. John Kirubaharan ... 7
   Proliferation Index of squamous cell carcinomas in dogs - T.S. Dayananda, 
   Suguna Rao, S.M. Byregowda, V.T. Shilpa, K.C. Jayachandra 
   and M.L. Satyanarayana ... 9
   Incidence of oribatid mites in a livestock farm - 
   S. Jeyathilakan, M. Raman, S. Abdul Basith and Lalitha John ... 13
   Effect of exogenous melatonin on different organ weights of adrenalectomized 
   rats - V. Sejian, R.S. Srivastava and V.P. Varshney ... 15
   Effect of alcoholic extract of the seeds of nelumbo nucifera on spontaneous 
   motor activity in rats - P.K. Deepa, P.T.A. Usha, A.M.C. Nair 
   and K.T. Prasannakumari ... 17
   Effect of norgestomet on blood biochemicals during and after induction of puberty 
   in heifers - B.K. Kakati, B.K. Sarmah, D.J. Dutta and G. Mondal ... 19
   Amelioration of toxic effects of aflatoxin and citrinin by adsorbents in broilers 
   C.H. Priyadarshini and G.V. Narasareddy ... 23
   Radiographic evaluation of fractures treated with acrylic external skeletal fixation 
   in dogs - B. Julie, K.V. Syam and T. Sarada Amma ... 26
   Cystoscopy assisted surgery for removal of urinary calculi in dogs 
   Piotr Holak, Marek Nowicki, Zbigniew Adamiak and Aleksander Kasprowicz ... 29
   Effect of replacement of seminal plasma on preservation of liquid 
   porcine semen - M.H. Khan, S. Naskar and R.K. Bordoloi ... 32
   Variance component estimation for heritability of gamma lactation curve 
   traits of holstein Friesian cattle - Olcay Guler, Mete Yanar and Omer Akbulut ... 35
   Phenotypic attributes of Deoni breed types of cattle - M.M. Appannavar, 
   M.G. Govindiah and K.P. Ramesha ... 39
   Effect of inbreeding on lamb growth traits in a closed flock of Bharat 
   Merino sheep - G.R. Gowane, L.L.L. Prince AND A.L. Arora ... 42
   Milk carotene and retinol levels in desert cattle and goats - H.C. Bohra, 
   M.S. Khan, A.K. Patel and B.K. Mathur ... 45
   Effect of feeding garlic on production performance of broilers with aflatoxicosis -
   S.U. Ahmed, K.K. Baruah and D. Sapcota ... 47
Effect of water based acidifier on microbial quality of gastrointestinal tract and carcass of broilers - A.S. Yadav, N.V. Mukadam and A.B. Mandal  ... 50

Influence of egg dimension characters on fertility and hatchability traits in white leghorn birds - R.R. Churchill, K. Narayanakutty, P. Ezhil Praveena and Raseena Karim  ... 53

Studies on carcass characteristics of ducks of different breeds and their crosses - M.K. Padhi, B.K. Panda and S.K. Sahoo  ... 56

Skin thickness, histology and leather traits of Mecheri sheep - M.R. Purushothaman, A.K. Thiruvkenkadu, K. Karunanithi and K. Balasundaram  ... 60

III. Clinical Articles :

Rupture of the prepubic tendon in a Beetal goat - M. Aleem, A. Ijaz and M.I.R. Khan  ... 63

Management of obstructive urolithiasis with tube cystostomy in a bullock - Amarpal, P. Kinjavdekar, H.P. Aithal, A.M. Pawde and K. Pratap  ... 65

Exocrine pancreatic insufficiency due to acute pancreatitis in a dog - Renata Nieradka, Andrzej Rychlik, Andrzej Depta, Malgorzata Kander and Marcin Nowicki  ... 68

Removal of foreign body by thoracoscopy in a dog - Piotr Holak, Przemyslaw Szalecki and Zbigniew Adamiak  ... 71

Bilateral squamous cell carcinoma involving alar nasal folds in a bullock - S.K. Tiwari, Kashi Nath, Md. Osamah Kalim and Sanat Nayak  ... 73

IV. Short communications :

Evaluation of anti-hyperglycemic effects of Thymus capitatus and Juniper communis in alloxaan induced diabetic rats - Fahim. A. Benkhayal, Wessal Hassan El-Ageeli, S. Ramesh and Mansour Farg Hamd. ... 75

Broncho alveolar lavage in the investigation of viral pneumonia in dogs - G.R. Baranidharan and P.S. Thirunavukkarasu  ... 77

Heritability estimates of economic traits of Sahiwal cattle - K.N. Raja and H.K. Narula  ... 79

Blood biochemical traits of indigenous fowls under different rearing systems - S. Doley, N. Barua and N. Kalita  ... 81

Study on meat characteristics of Kenguri breed of sheep - M.M. Appannavar, Ashok Pawar, B. Ramchandra, M.K. Tandle and G.S. Naveen Kumar  ... 83

Anthelmintic resistance in gastrointestinal nematodes of sheep - A. Singh, S. Srivastava, R.N. Yadav, Jaswant Singh and N.S. Singh  ... 84

Study on colibacillosis in rabbit - D. Mondal, K.S. Risam and R.B. Sharma  ... 86

Effect of snowfall on pack ability of yaks - K.P. Ramesha, V.K. Pradhan, M.A. Katakatlaware, Jiten Rajkhowa, Manajit Bora, G. Krishnan, Nirbhaj Kumar and M. Bhattacharya  ... 88

Non-genetic factors affecting age at first calving and first lactation traits in hariana cows - Umesh Singh, Arun Kumar and A.S. Khanna  ... 91

Dystocia due to bull dog foetal monster calf in a buffalo - Ravi Raidurg and R.G. Bijurkar  ... 94

In vitro fermentation profile of common tropical roughages - A.K. Samanta, K.K. Singh and M.M. Das  ... 95

Efficacy of special feed pellet supplementation on milk yield in dairy animals - N.M. Markedeyya, A.D. Patil, G.P. Bharkad and S.N. Bedarkar  ... 98

Effect of biostimulants on estrus induction in crossbred heifers - M.K. Patra, H. Kumar, M.C. Yadav, V.P. Varshney, S. Mahmood and A.K.S. Tomar  ... 100

V. Publication Received  ... 87

VI. Flash back :  ... 104

VII. Next issue :  ... (Back cover page)

VIII. Author and Subject index of the month  ... 105
