Participation of farm women in development of agriculture in Marathwada region of Maharashtra - A.P. THOMBRE, S.S. MORE, J.N. GHULGHULE AND F.S. KHAN

Relationship between the personal, socio-economic and psychological characteristics of the beneficiaries of Swarnajayanti Gram Swarozgar Yojana (SGSY) and problems faced by them from Western Maharashtra- B.R. WAGH, P.G. KHALACHE AND J.H. GAIKWAD

Impact of watershed project on employment and annual income of the respondents in Sangamner tahsil of Maharashtra- MOHAN B. NARKHEDE, P.G. KHALACHE AND RAHUL P. WANKHEDE

Evaluation of biomass gas stove- ANIL K. KAMBLE, SHARASHCHANDRA R. GADGE AND REKHA K. SAHARE

A study on factors determining bio input adoption for sugarcane in Cuddalore district, Tamil Nadu- V. BANUMATHY AND R. THENNARASU

Decision making pattern in tapioca among tribals of Kalrayan hills- M. NATARAJAN AND SANTHA GOVIND

A study of marketing behaviour, profile and suggestion of respondent paddy growers of district Sitamarhi in Bihar- VIJAY KUMAR, P.G. KHALACHE AND J.H. GAIKWAD

Role of women in farming, allied and off-farm activities- P. SUMATHI

Socio-economic status, income and expenditure pattern of fishermen in Konkan region of Maharashtra- Y.N. ULMAN, J.M. TALATHI AND VG. NAIK

Integrated pest management knowledge of sugarcane growers towards sustainability- G.N. MARADDI, S.G. ASKI AND VENKATESHALU

Impact of motorization on standard of living of fisher folk in Tamil Nadu- C. PRABAKAR AND K.R. SUNDARARADARAJAN

Impact of Swarnajayanti Gram Swarozgar Yojana (SGSY) on the socio-economic status of the beneficiaries and their suggestions from western Maharashtra- B.R. WAGH, P.G. KHALACHE AND J.H. GAIKWAD

An economic analysis of intercrop cultivation in sugarcane field in Annagramam block of Cuddalore District, Tamil Nadu- R. THENNARASU AND V. BANUMATHY

Impact of programmes implemented by BAIF on the socio-economic status of the beneficiaries from rural Maharashtra- H.P. SONAWANE, P.G. KHALACHE AND J.H. GAIKWAD

Information needs of vegetable growers regarding the ill-effects of pesticide use - S.K. SAINI, H. SINGH AND MAHINDRA KANWAL
A study of the extent of technological gap in adoption of paddy cultivation technology by the respondent paddy growers of Sitamarhi district of Bihar state and their suggestions - **VIJAY KUMAR, P.G. KHALACHE AND J.H. GAIKWAD**

Study on the knowledge level of rose cultivators about major rose cultivation practices - **RUCHIRA SHUKLA AND P.K. SRIVASTAVA**

Development of proximity distance sensor based electronic metering mechanism for three rows planter - **V.V. AWARE, S.V. AWARE, S.M. NALAWADE, D.M. MANE AND R.P. PATIL**

Farmers adoption of Sustainable Water Management Practices (SWMP) in sugarcane - **G.N. MARADDI, VENKATESHALU, R.R. CHOUDHARY AND N. RAJESHWARI**

A study on the extent of adoption of scientific potato cultivation practices in Barpeta District of Assam - **CHANDAN KUMAR DEKA AND S.B. MUKHOPADHYAY**

Development of biscuit from sorghum and soybean - **MANISHA KHEDKAR, R.C. VERMA, P.H. BAKANE AND R.P. MURMAKAR**

A study of beneficiaries of BAIF of rural Maharashtra - **H.P. SONAWANE, P.G. KHALACHE AND J.H. GAIKWAD**

Communication behaviour of Tribal farmers of Pachaimalai hills - **P. SHANMUGARAJA AND K. KANAGASABAPATHI**

Information dissemination behaviour of extension personnel of selected sugar factories of Cuddalore district of Tamil Nadu - **T. KALIDASAN AND SANTHA GOVIND**

A study of socio-personal, socio-economic and socio-psychological attributes of respondent paddy growers of Sitamarhi district of Bihar state and their constraints - **VIJAY KUMAR, P.G. KHALACHE AND J.H. GAIKWAD**

A study of onion production and its marketing in Malwa Plateau of Madhya Pradesh - **SHRICHAND JAT AND S.K. JAIN**

Path co-efficient analysis of managerial ability of mango orchard growers - **N.B. JADAV AND M.N. POPAT**

Information seeking behaviour of the beneficiaries of BAIF from Rural Maharashtra - **H.P. SONAWANE, P.G. KHALACHE AND J.H. GAIKWAD**

Knowledge level of tapioca growers on recommended technologies in tapioca cultivation - **V. SAKTHIVEL AND K. KANAGASABAPATHI**

A study of relationship between selected characteristics of the respondent paddy growers and technological gap in paddy cultivation of Sitamarhi district of Bihar - **VIJAY KUMAR, P.G. KHALACHE AND J.H. GAIKWAD**

Studies on dehydration of Fenugreek (Methi) - **A.A. SAWANT AND N.J. THAKOR**

Effectiveness of Interactive Multimedia Compact Disc (IMCD) in knowledge gain on organic farming practices - **M. KAVASKAR AND SANTHA GOVIND**
Personal, socio-economic and psychological characteristics of the beneficiaries of Swarnajayanti Gram Swarozgar Yojana (SGSY) and their constraints from western Maharashtra - B.R. WAGH, P.G. KHALACHE AND J.H. GAIKWAD

Constraints and suggestions made by the vermicompost makers in Saurashtra zone of the Gujarat state - N.B. JADAV AND P.S. GORFAD

Characteristics of tribal farmers and their relationship with knowledge and adoption of ITK - A.P. KALASKAR, U.S. RAUT AND P.S. KAPSE

Resource use efficiency of kharif and rabi onion in Ahmednagar district of Maharashtra state - J.N. GHULGHULE, S.S. MORE AND A.P. THOMBRE

Price spread in marketing of little gourd \(Coccinia cordifolia\) (Voigt.) L. in Raigad district of Maharashtra - N.K. SANKHE, J.M. TALATHI, V.G. NAIK AND S.R. TORANE

Impact analysis of infrastructure and incentives on trade in regulated markets of Punjab - S.S. CHAHAL AND P. KATARIA

Impact of development programmes implemented by BAIF on the profile of beneficiaries - H.P. SONAWANE, P.G. KHALACHE AND J.H. GAIKWAD

Extent of adoption of eco-friendly agricultural practices in sugarcane cultivation - V. KALIRAJAN AND K. KANAGASABAPATHI

Socio-economic impact of integrated rural development programme on rural development - P.R. DESHMUKH, R.P. KADAM AND P.B. BHOSALE

Demand analysis of milk and milk products in rural Punjab - G.S. RANDHAWA AND S.S. CHAHAL

Constraints in adoption of dairy management practices - R.P. KADAM AND S.D. WANGIKAR

A Case Study:
Prospects of indigenous practices for promoting sustainable farming in dryland agriculture - P. SUMATHI AND T. RATHAKRISHNAN

Construction of scale to measure the impact of development and welfare programmes carried out by BAIF on the respondent beneficiaries - H.P. SONAWANE, P.G. KHALACHE AND J.H. GAIKWAD

Electronics based equipment and machineries in the field of agricultural engineering - S.V. AWARE, V.V. AWARE AND A.V. GAJAKOS

Indigenous knowledge and practices of potato cultivation in Barpeta District of Assam - CHANDAN KUMAR DEKA AND S.B. MUKHOPADHYAY

Effect of sucrose concentration and temperature on osmotic dehydration of pineapple slices - N.J. THAKOR AND A.A. SAWANT
