Information processing and contribution of farm scientists— U.D. JAGDALE, S.B. SHINDE, R.P. KHULE AND G.K. SASANE

Adoption of drip irrigation system by orange growers in Amravati Taluka— K.N. BARSE, V.V. GOHAD AND M.R. LUNGE

Farmers feedback about the Agro-met Advisory Bulletin, a farm broadcast on All India Radio, Kolhapur, M.S.— K.V. GURAV, B.S. JADHAV AND U.D. JAGDALE

Adoption behaviour of farmers in chickpea production technology— NITEEN JAYSING THOKE AND SURYA GUNJAL

Knowledge gain by trainees through national training courses on dryland agriculture technology— S.A. BORDE AND U.U. RAJPUT

Knowledge of post graduate students of agriculture about information technology— V.R. SASANE, P.R. DESHMUKH AND A.S. LAD

Extent of empowerment and variation caused through self-help group women in Junagadh District of Gujarat state— CHANDRAVADIA KIRAN, P.R. KAÑANI AND D.V. PATEL

Performance of major cereals in Marathwada region— D.J. CHAUDHARI AND N.D. PAWAR

Constraints in various integrated farming systems— J. PUSHPA

Economics of broiler marketing in Allahabad district Uttar Pradesh— HAKIM SHABIR AHMAD AND IQBAL A. HAKIM

Organic farming practices followed by the cotton growers in Dhule District— DINESH N. KHANDIKAR, A.J. NIRBAN AND S.L. SANANSE

Information sources used and suggestions made by the Sugarcane growers for adoption of recommended ratoon management practices in Kolhapur district of Maharashtra— K.V. GURAV, B.S. JADHAV AND U.D. JAGDALE
A comparative study on economics of broiler production by trained and untrained farmers—S.V. HALAKATTI, C.M. SAJJAN AND K. A. JAHAGIRDHAR

Knowledge and adoption of sugarcane management practices by the farmers—G.K. SASANE, R.P. KHULE AND U.D. JAGDALE

Requirement, provision and gap in credit for major crops of Amravati district (M.S.)—A.K. VITONDE, R.D. VAIKAR, P.S. DHARPAL AND J. V. HARNE

Comparative economics of organic and inorganic farming—A.O. TRIPATHI, U.S. SHINGANE AND L.S. THAKARE

Gender differential time use pattern in crop activities poultry sericulture and dairy include farming systems—J. PUSHPA

A study on knowledge level and adoption behaviour of improved cultivation practices of pearl millet growers in Bijapur district of Karnataka—S.G. ASKI, S.H. GOTYAL, M.B. PATIL AND R.H. HANUMANAIAKAR

Analysis of production and marketing constraints and suggestions for further improvement of banana growers—A.T. KRISHNAMURTHY, A. SREENATHA, G.P. JAYAPALAIH AND N. ARUN

Availment of benefits of integrated rural development programme by beneficiaries—P.R. DESHMUKH AND N.D. DESHMUKH

Training needs of farm women in relation to post harvest technology in groundnut—CHANDRAVADIA KIRAN AND P.R. KANANI

Technological gap—An emerging issues in transfer of custard apple production technology—J.H. GAIKWAD AND P.G. KHALACHE

Impact of front line demonstrations on soybean yield in Haveri district of Karnataka—S.V. HALAKATTI, K.A. JAHAGIRDHAR AND D.S.M. GOWDA

Extent of adoption of improved cultivation practices in coconut in Chikmagalur district of Karnataka—A.T. KRISHNAMURTHY, A. SREENATHA, G.P. JAYAPALAIH AND N. ARUN

Constraints experienced by the poultry owners in adoption of poultry farming district of Gujarat—G.N. THORAT, M.S. TRIVEDI, G.D. SATISHKUMAR, V.K. JAIN AND D.K. KAKADE

Knowledge and its relationship with personal, socio-economic and psychological characteristics of sunflower growers of Bijapur district—S.G. ASKI, S.H. GOTYAL, M.B. PATIL AND R.H. HANUMANAIAKAR

A study on feedback behaviour of extension personnel working in private sectors—K.A. JAHAGIRDAR, A.S. BALASUBRAMANYA AND S.V. HALAKATTI

Training needs of farm women in post harvest technology—J.V. MANDE AND S.D. NIMBALKAR

A study of agricultural development of Saora Tribes in Bolangir district of Orissa state—J.H. GAIKWAD AND P.G. KHALACHE

Assesment of constraints faced by rural women in girl’s education—B.M. THOMBRE, Y.R. KARANDE AND J.V. MANDE

Economic analysis of milk production of district Fatehpur in Uttar Pradesh—RAHUL KUMAR RAI AND J. RAI

Personal correlations of empowerment of women—VIDYA TAYDE AND R.R. CHOOLE

Economic impact of improved production technology of small millets in Haveri district of Karnataka—S.V. HALAKATTI, V. KAMRADDI AND K.V. NATIKAR
Effectiveness of agricultural programmers of ETV channel as perceived by televiewing farmers in Dhule District—DINESH N. KHANDIKAR, A.J. NIRBAN AND S.L. SANANSE

Entrepreneurial uniqueness of self-help group women in Junagadh district of Gujarat state—CHANDRAVADIA KIRAN AND P.R. KANANI

Adoption of organic farming practices and marketing behaviour of pigeonpea growers in Gulbarga district of Karnataka—SIDARAM, N. MANJULA AND ASHOK KUMAR BENNUR

Adoption of soil and water conservation practices by farmers—L.S. THAKARE, A.N. DESHMUKH AND A.O. TRIPATHI

Economics of production of Kesar mango in Latur District of Maharashtra—BASVARAJ JAMAKHANDI AND A.M. DEGAONKAR

Performance of mango in South Gujarat region—G.S. JAYPATRE, K.S. PATEL, S.B. GAJBHIYE AND P.R. AWAGHAD

Constraints faced by rural women in availing benefits of women empowerment programme—VIDYA TAYDE AND R.R. CHOLE

Economics of farming systems in Amravati district—N.P. TAYADE, D.H. ULEMALE AND K.P. KULKARNI

Availment of farm credit and suggestions made by farmers—M.V. KHODKE, N.D. DESHMUKH AND J.R. WADKAR

Sources of information used by farm women in adoption of food grain storage—P.J. UPLAP AND N.S. LOHAR

Knowledge and adoption of brinjal management practices by the farmers—G.K. SASANE, U.D. JAGDALE AND R.P. KHULE

Economic evaluation of sorghum based cropping systems—A.K. VITONDE, R.D. VAIDKAR, P.V. CHAUDHAR AND D.S. RANGACHARYA

Levels of adoption and encountered barriers of Thiruvarur district farmers of Tamil Nadu on implementation of recommended biofertilizer technologies—R. JAYASANKAR AND S. THYAGARAJAN

A Case Study

Institutional linkages of Krishi Vigyan Kendras in Western Maharashtra—G.K. WAMAN AND P.G. KHALACHE

Globalization and New Era of Indian farming—A.V. TAK AND V.B. TAK

Comparative analysis of information acquisition pattern of extension personnel working in government and private sectors—K.A. JAHAGIRDAR, A.S. BALASUBRAMANYA AND S.V. HALAKATI
