Vol. 85

August 2008

No. 8

CONTENTS

I. General Articles:

Direct detection of chicken anaemia virus in plasma and serum of chickens by Chronic urinary tract infection in swine caused by <i>Streptococcus Zooepidemicus</i> - P.M. Priya, K. Gururaj, C. Balusamy, Asif M. Asharaf, J.R. Sreejith and Vivekanand Mishra ...	809
Capripox virus detection from the field samples by PCR assay - G.Sunitha, A.V. Krishna Mohan, and G. Hanumantha Reddy ...	811
Antibiogram of micro-organisms isolated from subclinical mastitis in Camels - J.B. Kathiriya and N.M. Shah ...	813
Buffalo oocyte vitrification and their post-thaw potential for <i>in vitro</i> fertilization - Yosef Deneke, Trilok Nanda, Prem Singh Yadav, Inderjeet Singh and G. Prasad ...	816
<i>In vitro</i> development of buffalo embryos using simple media - D. Kumar, T. Anand and M.S. Chauhan ...	819
Mortality in lambs associated with ingestion of sand - P. Srinivasan, G.A. Balasubramaniam, K. Sukumar, S. Sivaseelan, P. Balachandran and R. Thangathurai ...	822
Caprine arthritis encephalitis virus infection in kids with arthritis - A. Acar, S. Yavru, M.Kale, O.Bulut, O.Avci and F. Pehlivanoglu ...	824
Clinical and haematological observations in chronic anaemia in crossbred cattle - C.S. Randhawa, Heigopal, S.S. Randhawa and P.S. Dhaliwal ...	826
Prognosis of canine mammary neoplasms - Vipul Jain and M. Raghunath ...	829
Efficacy of ovsynch treatment for improvement of cyclicity in Murrah buffalo heifers during summer stress - K.S. Roy and B.S. Prakash ...	833
Effect of season of calving, sex of calf and parity of dam on postpartum estrus interval in cows - H.P. Gupta and Beerendra Singh ...	837
Effect of gonadotrophin releasing hormone on anoestrous cross bred cows - N.A. Shah, M.Z. Khan, G.M. Wani and R.Islam ...	840
Genetic analysis of indigenous goats of Keonjhar district of Orissa - S.P. Singh Bariah, P.K. Rao, B.N. Patro, S.K.Dash and P. Panda ...	843
Effect of udder and teat characteristic on incidence of sub-clinical mastitis in crossbred cows - M.L. Kamboj, Anshaj Singh and Shiv Prasad ...	846
Phytate phosphorus level in feed ingredients and enzyme phytase activity in commercial preparations - D. Kannan, K. Viswanathan and S.C. Edwin ...	849
Effect of Cholecalciferol on live performance of carcass characteristics of broiler chicks - Haq Nawaz, Muhammad Shafiq, Muhammad Yaqoob, Muhammad Yousaf and Fawwad Ahmad ...	851
Nutrient intake and utilization of Berseem straw based feed block in calves - M.M. Das, A.K. Samanta, K.K. Singh and P.K. Pathak ...	855
Description of goat rumen anaerobic fungi and their potentiality as probiotic - A.K. Samanta, K.K. Singh, M.M.Das, G.H. Pailan and Sonu Rai ...	859
Studies on thermoadaptability in Frieswal bulls - D.K. Mandal and S. Tyagi ...	864
Effect of feeding different levels of energy on draught performance and physiological responses in camels - Lokesh Gupta, G.S. Tiwari and J.L. Chaudhary ...	869

Histomorphological studies on atrioventricular valves of pigs - O.R. Sathyamoorthy, Geetha Ramesh, B. Murali Manohar, S.Usha Kumar and K. Kulasekar ...	872
Micro-anatomical studies on the exocrine pancreas of duck - V.R. Indu, J.J. Chungath, K.R. Harshan, N. Ashok, K.M.Lucy and S.Biju ...	875
Micro-anatomical studies of median eminence of Japanese quail - S. Usha Kumary and Geetha Ramesh ...	878
II. Clinical Articles: ...	
Congenital monster head in a heifer calf - T.P. Balagopalan, B. Rameshkumar, M. Sivakumar and S. Ramalingam ...	881
A case of acquired recto-vaginal fistula in Kankrej cattle - Sarvesh Kumar, Manjul Kandpal and N.S. Jadon ...	882
Surgical and medical management of non-Hodgkins Lymphoma in a dog - S.Roy, N. Moulik, S.K. Nandi and P. Mukherjee ...	883
Intussusceptions following surgical correction of GDV in a Great Dane dog - K.K. Ponnuswamy, K. Jeyaraja, S. Kathirvel, S. Dharmaceelan, N. Rajendran and M. Subramanian ...	885
Etiology of mycotic dermatitis in dogs - D. Sumathi and K. Vasu ...	887
III. Short Communications: ...	
Efficacy of oral Ivermectin against haemonchosis in goats - N. Sahoo and J.P. Ray ...	889
Occurrence of subclinical Leptospirosis in rabbits - G. Balakrishnan, Parimal Roy, R. Govindarajan, Vajiravelu Jayakumar, T.V. Meenambigai and B. Murali Manohar ...	890
Morphometrical analysis of Yak spermatozoa - M.A. Katakataware, B.K.D. Borah, R. Pourouchottamane, B.C. Saravanan, M. Sarkar and K.P. Ramesha ...	891
Incidence of endometritis in relation to age and Caslick index in mares - R. Kalirajan and R.C. Rajasundaram ...	893
<i>Camphylorachis scoliosa</i> in a red Kandhari cow - C.L. Badgujar, A.D. Patil, N.M. Markandeya and M.G. Thorat ...	895
Fetal anasarca in a sheep - S. Tamizharasan, N. Babu Prasath, C. Balachandran, S. Vairamuthu, and R. Thirumurugan ...	897
Traumatic ventriculitis in a turkey - G.A. Balasubramaniam, C. Balachandran, P. Balachandran, S. Sivaseelan and R. Thangathurai ...	899
Fibroma of the tail in a cow - G.A. Balasubramaniam, C. Balachandran, V. Ramesh Saravana Kumar, P. Srinivasan and C. Theophilus Anandkumar ...	900
Therapeutic efficacy of herbal gel in subclinical mastitis in cows - Shivi Maini, K. Ravikant and M.J. Saxena ...	901
Morphometry of the heart at different prenatal age groups in pigs - O.R. Sathyamoorthy and Geetha Ramesh ...	902
Carotene fortification of flavoured milk - G. Kumaresan, B. Murugan, K. Saravanakumar, D. Ramasamy, P. Selvaraj and K. Sivakumar ...	904
Crooked calf disease leading to dystocia in a buffalo - M. Honparkhe, S.P.S. Ghuman, Ajeet Kumar and G.S. Dhaliwal ...	906
